

Ridha Aditya Nugraha teaches Air and Space Law Studies at Universitas Prasetiya Mulya, Indonesia.

He holds both S.H. (Faculty of Law, Universitas Indonesia) and LL.M. (International Institute of Air and Space Law, Universiteit Leiden) degrees.

In 2019-2020, he was engaged as ASEAN Passenger Protection Support Expert at the EU-EASA ARISE Plus Civil Aviation Project in ASEAN. Before joining academia, he worked with a Jakarta-based law firm, a Dutch low-fare airline, and a Danish international consulting firm.

Mr. Ridha is affiliated with European Air Law Association and German Aviation Research Society.

In 2015, he was awarded the prestigious European Air Law Association Prize in Edinburgh, and in 2016 became the recipient of the Secure World Foundation Young Professional Scholarship as awarded at the 67th IAF International Astronautical Congress in Guadalajara.
